PART II—Section 3—Sub-section (ii)

Statutory orders and notifications issued by the Ministries of the Government of India (other than the Ministry of Defence) and by Central Authorities (other than the Administrations of Union Territories).

MINISTRY OF EXTERNAL AFFAIRS

New Delhi, the 29th September 1961

S.O. 2431.—In exercise of the powers conferred by Section 4 of the Foreign Jurisdiction Act, 1947 (47 of 1947) and of all other powers enabling it in that behalf, the Central Government hereby directs that the following further amendment shall be made in the French Establishments (Application of Laws) Order, 1954, namely:—

In the Schedule to the said order, after serial No. 6-B, the following shall be inserted, namely:—

1.	2.	3.	4.	5.
6-C.	1934	X. The Madras Co-operative Land Mortgage Banks Act, 1934.	1. Throughout the Act—	
			(i) any reference by whatever form of words to the "Presidency of Madras" shall be construed as including a reference to the "State of Pondicherry"; and	
			(ii) any reference to the "State Government", except in Section 6 thereof, shall be construed as a reference to the "Chief Commissioner, Pondicherry".	

1	2	3	4	5
				2. Section 3.—In clause (b) for "Madras Cooperative Central Land Mortgage Bank Limited", substitute "Pondicherry State Cooperative Central Land Mortgage Bank Limited".
				3. Section 4.—In sub-section (2), omit "(including those issued before the commencement of this Act)".
				4. Section 6.—(1) In sub-section (2) omit "after consulting both Houses of the State Legislature".
				(ii) in clause (b) of sub-section (3), for "State of Madras" substitute "State of Pondicherry".
				5. Section 7.—Omit section 7.
				5. Section 29A.—In sub-section (1), for "Fort St. George Gazette", substitute "Pondicherry Gazette".
				7. After section 32, insert "32-A. Special Provisions for mortgages by tenants in the Mahe area. Where a tenant in the Mahe area mortgages his holding in favour of a mortgage bank, the following provisions shall apply so long as the mortgage subsists, notwithstanding anything to the contrary contained in the Malabar Tenancy Act, 1929, as applied to that area.
				(1) Both before and after granting the loan secured by the mortgage, the mortgage bank shall give notice in writing to the landlord of the tenant and if such landlord is himself the tenant of another landlord, also to that landlord, and likewise to every superior landlord from whom interest in the holding is derived, upto and including the janmi.
				(2) Every landlord to whom notice is given under clause (1), shall give not less than fifteen days' notice in writing to the mortgage bank before instituting a suit for bringing the holding of his tenant (whether such tenant be the mortgager or a superior landlord) to sale for default in payment of rent or michavaram or for evicting such tenant from the holding.
				(3) The tenant who has mortgaged the holding to the mortgage bank shall not, except with the previous permission of the bank, surrender his holding or any part thereof to his landlord or deal with it

in any other manner, and no such transaction entered into by the tenant without such permission shall affect in any way the interest of the bank in the holding.

- (4) In a suit for eviction instituted against the tenant who had mortgaged the holding to the mortgage bank, the bank shall, on application to the court in which the suit is instituted, be entitled to be paid out of the amount of compensation, if any, deposited in court for value of improvements, the moneys due to the bank under the mortgage.
- (5) If, on the expiry of the tenancy of the tenant who has mortgaged the holding to the mortgage bank, the tenant does not renew the tenancy, the bank shall be entitled to obtain a renewal of the tenancy on behalf of the tenant and any renewal fee paid by the bank shall be added to the principal money due under the mortgage.
- (6) If the tenant who has mortgaged the holding to the mortgage bank makes default in the payment of any rent or *michavaram* due to his landlord, the bank shall be entitled to pay the same to the landlord, and the amount so paid shall be added to the principal money due under the mortgage.

Explanation.—In so far as the rent or *michavaram* is payable in kind, the mortgage bank shall have the right to pay the value thereof calculated in accordance with sub-section (2) of Section 51 of the Malabar Tenancy Act, 1929, as applied to the Mahe area.

- (7) Where the mortgage bank pays any renewal fee, rent or *michavaram* under sub-section (5) or sub-section (6), it shall be entitled to regard the whole of the mortgage money as having become payable and, after giving a reasonable opportunity to the tenant to repay the whole of the said money or such portion thereof

as may be determined by the bank to bring the holding to sale under the provisions of Chapter IV of this Act.

Explanation.—In this section, the expressions 'Tenant' 'holding' 'landlord', 'janmi', 'rent', 'michavaram', 'renewal', and 'renewal fee' shall have the same meaning as in the Malabar Tenancy Act, 1929, as applied to the Mahe area.

MINISTRY OF FOOD AND AGRICULTURE

(Department of Agriculture)

New Delhi, the 3rd October, 1961.

S.O. 2448.—In exercise of the powers conferred by the proviso to article 309 of the Constitution, the President hereby makes the following rules regulating the method of recruitment of persons to Class III posts in the Indian Agricultural Research Institute, New Delhi, namely:—

1. **Short title.**—These rules may be called the Indian Agricultural Research Institute (Class III) Recruitment Rules, 1961.

2. **Application.**—These rules shall apply to Class III (Ministerial and Non-Ministerial) posts in the Indian Agricultural Research Institute, New Delhi, including its Regional offices and sub-stations as specified in column 2 of the Schedule annexed hereto.

3. **Classification and Scale of Pay.**—The classification and the scale of pay, attached to the said posts shall be as specified in columns 3 to 5 of the Schedule to these rules.

4. **Method of recruitment, age limit and other qualifications.**—The method of recruitment to the posts aforesaid, age limit, qualifications, and other matters connected therewith shall be as specified in columns 6 to 11 of the Schedule aforesaid. Provided that the upper age limit prescribed for direct recruitment may be relaxed in the case of Scheduled Castes/Tribes candidates, displaced persons and other special categories in accordance with the orders issued from time to time by the Government of India.

5. **Disqualification.**—(a) No person, who has more than one wife living or who having a spouse living, marries in any case in which such marriage is void by reason of its taking place during the life-time of such spouse, shall be eligible for appointment to service; and

(b) no woman, whose marriage is void by reasons of the husband having a wife living at the time of such marriage or who has married a person who has a wife living at the time of such marriage, shall be eligible for appointment to service, provided that the Central Government may, if satisfied that there are special grounds for so ordering, exempt any person from the operation of this rule.

(Department of Agriculture)

New Delhi, the 6th October, 1961

S.O. 2450.—The following draft of Oil cakes Grading and Marking Rules, 1961, which it is proposed to make, in exercise of the powers conferred by section 3 of the Agricultural Produce (Grading and Marking) Act, 1937, (1 of 1937), is published, as required by the said section for the information of all persons likely to be affected thereby and notice is hereby given that the said draft will be taken into consideration on or after 15th November, 1961.

Any objection or suggestion which may be received from any person with respect to the said draft before the date specified, will be considered by the Central Government.

1. **Short title.**—These rules may be called the Oil cakes Grading and Marking Rules, 1961.

2. **Definition.**—In these rules, unless the context otherwise requires,—

(a) 'Schedule' means a Schedule annexed to these rules,

and (b) 'Agricultural Marketing Adviser' means the Agricultural Marketing Adviser to the Government of India.

3. **Grade designations.**—The grade designations to indicate the quality of oil cakes shall be as set out in column 1 of Schedules II to IV.

4. **Definition of quality.**—The definition of quality indicated by the grade designations shall be as set out in columns 2 to 9 of Schedules II to IV.

5. **Grade designation marks.**—The grade designation mark shall consist of a label bearing the design set out in Schedule I and specifying the grade designation.

6. **Method of marking.**—(1) The grade designation mark shall be securely affixed to each bag in a manner approved by the Agricultural Marketing Adviser. In addition to the grade designation mark, each bag shall be clearly marked with the following particulars and in such a manner as may from time to time be specified by the aforesaid officer:—

(a) name of packer,

(b) batch number,

(c) net weight in kilograms, and

(d) date of packing.

(2) An authorised packer may, after obtaining the previous approval of the Agricultural Marketing Adviser, mark his private trade mark on the bag in a manner approved by the said officer, provided that the private trade mark does not represent quality or grade of the oil cake different from that indicated by the grade designation mark affixed on the package in accordance with these rules.

7. **Method of packing.**—Oil cakes shall be packed only in clean and sound jute bags. Each bag shall contain 75 kilograms of oil cake of only one type and of the same batch.

8. **Special conditions of Certificate of Authorisation.**—In addition to conditions specified in rule 4 of the General Grading and Marking Rules, 1937, the following conditions shall also be the conditions of every Certificate of Authorisation issued for the purpose of these rules:—

(a) An authorised packer shall take all precautions to avoid admixture of oil cakes with castor seed and castor cake.

(b) If an authorised packer handles more than one type of oil cake in the same premises, adequate precautions shall be taken by him to avoid mixing of different oil cakes.

(c) An authorised packer shall make such arrangements for testing oil cakes as may be prescribed from time to time by the Agricultural Marketing Adviser. He shall also maintain proper records of the analysis of the samples.

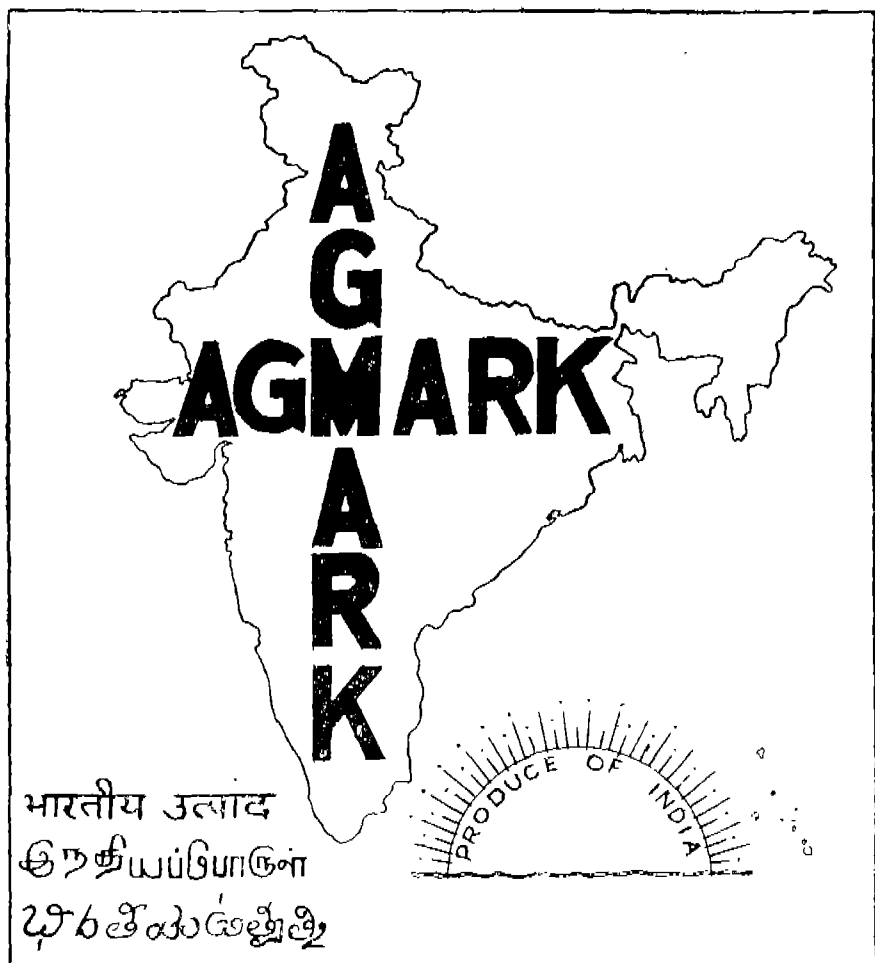

(d) All instructions regarding methods of sampling and analysis, packing and marking, and maintenance of records, which may be issued from time to time by the Agricultural Marketing Adviser shall be observed.

- (e) A sample of oil cake, drawn in a manner prescribed by the Agricultural Marketing Adviser from each lot, shall be forwarded to such control laboratory, as may be notified from time to time.

S.O. 2465.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the following award of the Labour Court, Delhi, in the matter of an application under section 33A, of the said Act, from Shri K. M. Poulouse, ex-employee of the Cochin Commercial Bank Limited, Cochin.

BEFORE THE CENTRAL GOVERNMENT, LABOUR COURT AT DELHI

PRESENT:

Shri E. Krishna Murti, Central Government Labour Court, Delhi.

16th September, 1961.

Application U/S 33A, of the Industrial Disputes Act, 1947.

I.D. No. 162, of 1961.

Shri K. M. Poulouse, Kariath House, Arakunnam P.O. via Tripunithura, Kerala State.—Applicant.

Vs.

The Cochin Commercial Bank Ltd., Cochin-2.—Opposite Party.

Shri Govindan Nair and Shri C. M. Ramachandra Menon—for the management.

Shri T. C. N. Menon—for the workman.

In the matter of Complaint No. 83 of 1961, in Ref. No. 1 of 1960, pending before the National Industrial Tribunal (Bank Disputes), Bombay-1.

AWARD

This is a petition under Section 33-A, of the Industrial Disputes Act.

2. The petitioner alleges, that the Cochin Commercial Bank has contravened the provision of Section 33, of the Act, that the petitioner while working as Agent of the Arakunnam Branch of the Bank happened to mislay the key of the Cabinet in which the key of the safe was deposited, that after a short while, the duplicate key was received, that the activities of the Bank were carried on as usual though there was a slight delay, that on 29th December, 1960, the General Manager suspended the petitioner, that on 28th February, 1961, the General Manager dismissed the petitioner with effect from 17th January, 1961, that the petitioner's appeal to the Board of Directors was unsuccessful, that the order of dismissal of the petitioner is illegal, that it should be set aside with suitable relief.

3. The contention on behalf of the Bank is, that the petitioner was an Agent of the Arakunnam Branch of the Bank, that he was not a workman, that his duties were mostly managerial or administrative, that accordingly, this petition is not maintainable, and there is no contravention of Section 33, that this Labour Court has no jurisdiction to adjudicate upon the petition, that on the merits, the dismissal of the petitioner is *bona fide* and lawful, that it cannot be interfered with, and that the petitioner should be dismissed.

4. The issues, that arise for determination are:—

- (i) Whether the petition as brought, is maintainable?
- (ii) Whether there is contravention of Section 33 of the Act?
- (iii) Whether the petitioner is a workman within the meaning of Section 2(s) of the Act?
- (iv) Whether the dismissal of the petitioner is lawful and justified?
- (v) Whether the dismissal of the petitioner is wrongful and is not *bona fide*?
- (vi) To what relief, if any, is the petitioner entitled?

Issues No. 1—3.

5. This is a petition under Section 33-A, of the Industrial Disputes Act. The petitioner Shri K. M. Poulouse was the Agent of the Arakunnam Branch of the Cochin Commercial Bank Limited, which has its head office at Cochin. A charge-sheet was served against the petitioner, Ext. W/1, dated 29th December, 1960. The first charge was, that on 26th December, 1960, as Agent of the Arakunnam Branch Mr. Poulouse mislaid the key of the safe of the Bank, and was unable to meet the demands of parties for payment of money, when there was already a panic among the public about a rumoured moratorium, and also absented himself for half an hour from the Office. The second charge was, that the petitioner kept the key of the safe in the office cabinet at night, which was contrary to office orders. The petitioner was directed to furnish his explanation within two days. Ext. M/18, is a report dated 27th December, 1960, that was sent by Mr. Poulouse to the Head Office. It is to the effect, that in his hurry to reach the Bank, he could not find out the key of the safe of the cabinet in his lodge, that he rushed to the Bank, thinking that the key might have been kept in the Bank itself, and that it was not found there, and that with the help of Mr. V. J. Kurien, he managed to get the duplicate key from the Head Office and resumed work. Subsequently he traced out the key in his lodge and returned the duplicate key to the Head Office. The petitioner begged to be excused for the inconvenience caused in this connection. In reply to the charge-sheet Shri Poulouse gave the explanation Ext. M/19, dated 31st December, 1960, and therein he referred to his report dated 27th December, 1960. He admitted that he had no idea, that he was

doing a wrong thing, when he kept the key of the safe in the cabinet, and assured the Head Office, that he would be more careful in future. Ext. W/2, is a letter dated 7th January, 1961, by which the management intimated Shri Poulouse, that the enquiry into the charge framed against him, had been concluded, that he was examined on 5th January, 1961, that he was guilty of the charge framed against him, that he was guilty of serious mis-conduct, and that nothing short of dismissal would be adequate punishment. The petitioner was asked to show cause, why he should not be dismissed from the service of the Bank with effect from 17th January, 1961. Ext. W/3, is a letter dated 28th February, 1961, and it is stated therein, that the explanation given by Shri Poulouse had not convinced the management of his innocence, and that he was dismissed from the service of the Bank with effect from 17th January, 1961. Ext. M/21, shows, that the petitioner filed an appeal to the Board of Directors. The appeal was however dismissed as shown by Ext. M/22, dated 25th March, 1961. The petitioner's case is, that the order of dismissal passed by the Bank is unlawful, and unjustified and that he should be re-instated in service together with back wages.

6. The preliminary objection has been raised by the Bank, that there is no contravention of Section 33 of the Industrial Disputes Act, and that this Labour Court has no jurisdiction to entertain the present petition. However, the contention on behalf of the petitioner is, that there is a contravention of Section 33 because no petition was filed for approval under Section 33(2) (b) of the Industrial Disputes Act and one month's wages were not paid to him as laid down in that Section. The management have admitted, that they did not file any application under Section 33(2) (b) for approval, and also did not pay one month's wages as required by that Section, but their answer is, that they were not bound to do so, because Mr. Poulouse was not a workman within the meaning of Section 2(s) of the Industrial Disputes Act, and Section 33 did not apply to him. If the contention of the management is to be up-held, then it was not necessary for them to comply with the conditions laid down in Section 33(2) (b).

7. Thus the question for determination is, whether the petitioner is a "workman" as defined in Section 2(s) of the Act. It is important to note, that he was the Agent of the Arakunnam Branch of the Bank at the material time. The case of the Bank is, that his duties were mostly managerial and administrative as Agent of the Bank. It is well settled, that it is from the nature of the duties performed by an individual, that we must judge, whether an employee is a workman or not as defined in Section 2(s). It will be necessary to determine, whether looking to the nature of the duties performed by Mr. Poulouse, it can be said, that he was a workman within the meaning of the Section. The General Manager of the Bank has been examined as MWI. According to him, the petitioner Mr. Poulouse, was an agent of the Arakunnam Branch of the Bank, and not merely the Accountant or Accountant Incharge of the Branch. He was responsible for running the Branch. He had a power of attorney (Ext. M/2) in his favour, and he was exercising the powers conferred by the power of attorney. He was the Controlling Authority in the Branch. He controlled the Staff in that Branch. He granted casual leave to them. He was making confidential reports, about the Staff. He was making recommendations about increments and promotions of the Staff under him, and his recommendations were usually accepted by the Head Office. He could make on the spot decision in an emergency and report the matter to the Head Office. Mr. Poulouse also deposited cash security as the other agents had to deposit. He had the discretion and power to grant overdrafts, within the limits of accommodation contained in Ext. M/5. Mr. Poulouse was accepting gold ornaments and advancing loans to customers after determining the limits of such loans. He was checking up the day-to-day working of the Branch. He was enforcing discipline of the Branch. The correspondence in regard to the Branch with the Head Office, was carried on by him. He was accepting gold ornaments and advancing loans on them. Shri Poulouse was getting Rs. 25/- extra, because he was Agent. The Head Office was treating Shri Poulouse as an agent and not as a clerk. Mr. Poulouse was supervising the work of the Branch. He had to allot work to members of the staff. He was responsible for the securities and cash of the Bank primarily. The securities and money of the Branch, are the responsibility of the Agent, though the cashier has also got the key of the safe. Mr. Poulouse was responsible for the administration of the Arakunnam Branch. He had power to take disciplinary action against any member of the staff. He had power to operate accounts in other branches of the Bank. In short the Agent's duty was to see, that the work of the branch was carried on and he had power to enforce discipline. Though this was not specifically conferred, it was implied in the position of Mr. Poulouse as Agent.

8. On behalf of the Bank, Ext. M/2, the power of attorney, shows, the various powers conferred on Shri Poulouse. Ext. M/5 contains the limits within which advances could be made by Mr. Poulouse in the Branch. Ext. M/6 shows, that the agent asked for enhancement of the limit for discounting bills. Ext. M/8 proves, that Shri Poulouse was sending confidential reports about the staff members of the Branch, with his recommendations. Exts. M/9 to M/13 are the confidential receipts with the recommendations of Mr. Poulouse Exts. M/15 to 17 are in regard to the transactions of the Bank and these are signed by Mr. Poulouse.

9. On a consideration of the evidence on either side, it is established, that Mr. Poulouse as agent of the Arakunnam Branch, was exercising duties mainly of a managerial and administrative character. He was the Administrative Head and Manager of the branch. He was in management of the entire affairs of the branch. He was the person incharge of the branch. He was the person responsible to the Head Office for the affairs of the branch. He exercised control and supervision over the members of the staff, working under him, and he was even sending confidential reports with his recommendations about them about increments and promotions. He had discretion, initiative and power to grant loans and overdrafts to customers of the Bank, though of course within the limits prescribed. He had also got the power to operate accounts of other branches of the Bank, and that is how he got Rs. 10,000/- from another branch on 26th December 1960. It is not possible to hold, that he was a workman, doing mainly clerical duties. He was a person in a position of command and control of the branch at Arakunnam, and there was no one above him in that branch. It is important to note, that he was able to take on the spot decisions in an emergency. Thus even in respect of the incident, that took place on 26th December 1960, he got into contact with the Head Office, and other branches of the Bank, and got cash and the cash was received from the Molamthurthi Branch of the Bank. Shri Poulouse admits, that he had to recommend grant of increments though he adds, that it was in accordance with the sanction of the Head Office. He was granting casual leave. He was sending confidential reports on the forms supplied. He admits, that he sent Exts. M/8 to M/13. He also admits, that in the branch, in which, he was working, there was no person above him.

10. From the evidence, it is fairly clear, that Mr. Poulouse was exercising duties mainly of a managerial and administrative nature. His duties were not manual or clerical as attempted to be argued on his behalf. It is, however, urged by Mr. T. C. N. Menon, Learned Counsel on behalf of the workman, that he was described not as Agent but as Accountant or Accountant-in-charge. Ext. W/17 has been relied upon for the purpose of showing, that Shri Poulouse was described as Accountant-in-charge, but this is dated 4th November 1948. That further shows, that he was appointed Agent with effect from 1st December 1948 of the Perumanoor Office. Nextly, attention is drawn to Ext. W/4, dated 19th December 1953 to show, that Shri Poulouse was an Accountant. But this was in the Trivandrum branch, which was a big branch, and there he was only an Accountant. The same remarks apply to Ext. W/5 and Ext. W/6 which show, that Shri Poulouse was Accountant in the Cochin Branch. Ext. W/8, dated 4th October 1955, describes him as Agent at Fort Cochin Branch. What is material is, that W/10 proves, that Shri Poulouse was placed incharge of the Arakunnam Branch from 16th December, 1957, and he was Agent of that Branch since then. The contention on behalf of the petitioner that he was only an Accountant or officiating Accountant or Accountant-in-charge, and that this really shows, that he was not an Agent, is not entitled to acceptance. Whatever, he might have been in the past, he was the Agent of the Arakunnam Branch from 1957, and at the material time in 1960. It may be, that in the past he acted, as Accountant in big offices, like Cochin and Trivandrum, but what is more important and to the purpose is, that Shri Poulouse was the Agent of the Arakunnam Branch in December, 1960, and at the time of dismissal. He was in complete, sole and independent charge of the said Branch, as Agent and was discharging mainly managerial and administrative functions in running the business of the Branch.

11. It is however, urged that Shri Poulouse was only getting the pay, that was being paid to clerks in the clerical scale. It is also argued, that he was getting medical aid and Exts. W/15 to 16 have been produced in this connection. It is also clear from the evidence, that he was getting Dearness Allowance, according to the scale prescribed in the Shastri Award. It is elicited in the cross-examination of the General Manager, that Agents are given House Rent Allowance, but Mr. Poulouse was not given House Rent Allowance. The Officers not governed by the award were getting fixed D.A., but Mr. Poulouse was getting D.A., according to the Shastri Award scale, at the time of dismissal. Officers not governed

by the award, did not get medical assistance, but Mr. Poulouse was given medical benefits. Even granting, that Mr. Poulouse was not getting House Rent Allowance given to other agents, and that he was getting Dearness Allowance on the Shastry Award scale, and medical benefits which were not given to other agents, and that he was also getting salary, which was low and equivalent to the pay given to the clerks, I am unable to hold, that all this makes any difference to the status of Mr. Poulouse as Agent of the Bank, or to the nature of the duties, that he was discharging. The Bank might have given him greater facilities in the matter of allowing him medical assistance and higher Dearness Allowance. But the test in deciding, whether Shri Poulouse was a workman or not, is not dependent upon the factors above mentioned. The question will have to be answered by reference to the nature of the duties and responsibilities, which he was discharging. Judged by this test, it cannot be gain said that his duties were mainly managerial and administrative. Moreover, it cannot be held, as contended on behalf of the workman, that he was exercising only supervisory duties and because he was getting less than Rs. 500/-, he must be deemed to be a workman within the definition of the term in Section 2(s). His duties were not merely supervisory. They were managerial and administrative, and he was in a position of command and control and direction in the branch. It is, however, contended, that there is no proof, that Shri Poulouse took disciplinary action against any employee. There is no force in this argument. It is clear, that he could report to the Head Office about disciplinary action to be taken against the staff members, working under him, and he was also sending confidential reports about them. The fact, that by himself he had no power to appoint or dismiss or remove any member of the staff in his Branch does not make any difference. The fact, that this could be done only by the Head Office does not sustain the contention of the petitioner. Taking therefore, into account, the essential character of the duties performed and responsibilities held by Shri Poulouse as Agent of Arakunnam Branch, it must be held, that they are mainly managerial and administrative and not merely supervisory or clerical. Accordingly, I find, that Shri Poulouse is not a workman, within the meaning of the Industrial Disputes Act.

12. In view of my finding, as above, the Bank was not bound to observe the provision of Section 33(2)(b). Therefore, there is no contravention of Section 33, and this petition under Section 33A is not maintainable, and this Tribunal has no jurisdiction to entertain the same. I find accordingly on the above issues.

Issues No. 4—5.

13. In view of my findings as above, no questions arise regarding the merits of the dispute and they cannot be decided herein as this petition is without jurisdiction.

Issue No. 6.

14. The petitioner is not entitled to any relief, as the petition is not maintainable.

15. In the result, the petition is dismissed. There is no order as to costs. An award is passed accordingly.

STATE: Gujarat.

INDUSTRY: Ports and Docks.

AWARD

The Government of India, Ministry of Labour and Employment by Order No. 28/4/61/LRIV, dated 12th May 1961, made in exercise of the powers conferred by clause (d) of sub-section (1) of section 10 of the Industrial Disputes Act, 1947 (Act 14 of 1947) was pleased to refer to me for adjudication the industrial dispute between the parties abovenamed in respect of the subject matters specified in the following schedule to the said order:—

SCHEDULE

"Whether the demand for payment of wages for overtime work at double the normal rates to all categories of workmen is justified and if so to what relief the workmen are entitled?"

2. After the usual notices were issued to the parties and they had filed their written statements, the dispute was taken up for hearing at Bombay on 29th September 1961.

3. Messrs. Sindhu Hochtief (India) Private Limited, New Kandla (hereinafter referred to as the company) is carrying on the business of construction of New Kandla Port. According to the Union, the work carried out by this company falls within the category of 'Employment on road construction or in Building operations' mentioned at item No. 7 in the Schedule to the Minimum Wages Act, 1948 (XI of 1948). It is admitted that by Government of India, Ministry of Labour and Employment Notification, dated 22nd December 1959, minimum rates of wages have been fixed for the categories of the monthly rated and daily rated workers engaged on construction or maintenance of roads or in building operations in the Kandla Port, Gopalpuri and New and Old Kandla mentioned in that Notification. It is also admitted that the majority of the workmen of this Company are under the Minimum Wages Act being paid wages for overtime work at double the normal rate of wages and the present demand is that all categories of workmen, not covered by the Minimum Wages Act, should be paid wages for overtime work at double the normal rates and the question referred for adjudication is whether this demand is justified or not.

4. At the hearing before me, in view of the fact that under the Minimum Wages Act, the majority of the workmen are paid for overtime work at double the normal rate of wages the employers, were agreeable to pay overtime at double the normal rates of wages to all the workmen and suggested that I should fix the date from which payment for overtime at double the rate should be directed to be made. In the order of reference no date is specified from which the rate of overtime should be directed to be paid. The order of reference was made on 12th May 1961 and I therefore consider it fair that wages for overtime work at double the normal rates of wages should be paid from 16th May 1961.

5. In the result, I hold that the demand for payment of wages for overtime work at double the normal rates to all categories of workmen of the company

is justified and I direct that the same should be paid with effect from 16th May 1961, and the amount for overtime work already done should be paid by 4th November 1961.

No order as to costs.

APPEARANCES:

For the employers.—Shri C. Raghavachary, Manager, The Assistant General Manager's Office, Punjab National Bank Ltd., Bombay.

For the workmen.—Shri K. K. Mundul, of the All India Bank Employees Association with Shri R. M. Sorakhe, General Secretary, Punjab National Bank Employees' Union, Nagpur and Shri B. K. Vyas.

STATE: Maharashtra.

INDUSTRY: Banking.

AWARD

The Government of India, Ministry of Labour and Employment, by Order No. 10(151)/61/LR. IV, dated 20th May, 1961, made in exercise of the powers conferred by clause (d) of sub-section (1) of section 10 of the Industrial Disputes Act, 1947 (Act 14 of 1947), was pleased to refer to me for adjudication the industrial dispute between the parties abovenamed in respect of the subject matters specified in the following schedule to the said order:—

SCHEDULE

"Whether having regard to the duties performed by him, Shri B. K. Vyas of Khamgaon Branch of the Bank is entitled to the special allowance prescribed for Daftries in paragraph 169. of the award of the All India Industrial Tribunal (Bank Disputes) as modified by section 3 of the Industrial Disputes (Banking Companies) Decision Act, 1953. (41 of 1955), and, if so from which date after the 18th September, 1960?"

2. After the usual notices were issued, a written statement of claim dated 11th June, 1961, was received from the General Secretary of the Association of Punjab National Bank Employees, Bombay State, Akola, to which the Bank filed its written statement in reply dated 22nd June, 1961. Thereafter, Shri B. K. Vyas, the workman directly concerned, represented by the Punjab National Bank Employees' Union, Vidharbha Region, Headquarters Nagpur, filed another statement dated 12th July, 1961, to which he annexed a statement containing the list of duties performed by him as Appendix 'A'.

3. At the hearing of the dispute before me on 29th September, 1961, Shri B. K. Vyas who was present was represented by the All India Bank Employees' Association and the Punjab National Bank Employees' Union.

4. It is admitted that Shri B. K. Vyas is an employee of the Punjab National Bank in its Khamgaon branch. According to the workman he was appointed as a peon on 28th April, 1958, whilst the Bank in its written statement has stated that he was appointed as a probationer on 29th July, 1958. In the statement of claim, dated 11th June, 1961, it is stated that since Vyas joined service at the Khamgaon branch of the Bank, the following duties were taken from him viz., (1) Hundi presentation (2) Cash peon (3) Voucher stitching (4) filing of papers (5) Maintenance of old and current record (6) Maintenance of stationery (7) opening of dak (8) assisting the despatcher in sorting the dak for purposes of preparing envelopes. It is admitted that in addition to his pay as a peon Vyas is being paid a special allowance of Rs. 5 per month for performing the duties of cash peon. The union's claim is that Vyas is performing the duties of Daftary and as such he is entitled to a special allowance of Rs. 10 prescribed for daftaries by paragraph 169 (4) of the Award of the All India Industrial Tribunal (Bank Disputes) (hereinafter referred to as the Sastri Award), as modified by section 3 of the Industrial Disputes (Banking Companies) Decision Act, 1955 (41 of 1955). Before the Conciliator, the Bank denied that Vyas was performing the duties of a daftary, but stated that he was performing the duties of a cash peon and was, therefore, being paid a special allowance of Rs. 5 only as prescribed by the Sastri Award. As no settlement could be reached, the conciliation proceedings ended in failure after which this reference was made.

5. Both parties are agreed that the real question in this reference is whether Vyas is performing the duties of a daftary and both parties are agreed that if the answer to this question is in the affirmative then Vyas would be entitled to the special allowance of Rs. 10 per month under the Sastri Award. In paragraph 169 of the Sastri Award it is stated that the general observations made in that Award in the case of the clerical staff would ordinarily apply to the Subordinate Staff also. The Sastri Tribunal in a note below paragraph 164 of its Award under the Chapter "Special allowances", had directed for clerks that, "in case where an employee comes within more than one category he should be entitled to the highest rate of allowance applicable to him." It is admitted that this direction also applies to the Subordinate Staff.

6. The union's case is that as Vyas was performing the duties of both cash mazdoor and daftary he was entitled to the higher allowance of Rs. 10 per month prescribed by the Sastri Award for daftaries. In support of its claim the union has relied upon a circular of the Bank, dated 7th March, 1956 (exhibit W-1), which is in following terms:—

"In view of the readjusted emoluments of daftaries in terms of the Award, they should be assigned the following duties as laid down in our circular No. 40/GM, dated 20th January, 1951.

1. Filing work and maintenance of files.
2. Filing of circulars.
3. Stitching, binding and numbering of papers and vouchers.
4. Receiving of stationery from head office.
5. Arranging of stationery at the tables of the employees.

In addition to the duties mentioned above, they are expected to do such type of work, not of a clerical nature, as is entrusted to them by the Manager or Head of the Department.

Branches are advised to be guided accordingly."

7. Shri Mundul, appearing for Vyas stated that all these duties are being performed by Vyas, as enumerated in the written statements dated 11th June, 1961 and 12th July, 1961, filed in these proceedings. He has stated that the three duties which the management in its written statement denied Shri Vyas was performing, viz., (1) maintenance of old and current record, (2) opening of dak and (3) assisting the despatcher in sorting the dak for the purposes of preparing envelopes, are not duties which the daftaries are required to carry out under the bank's circular, dated 7th March, 1956. That appears to me to be so. The management in its written statement has stated that Vyas is not performing the duties of a daftary. It has specifically referred to the three duties enumerated above as not being performed by Vyas and it is on this basis that the Bank states that he is not entitled to the special allowance prescribed for daftaries. Even assuming

that in fact Vyas was not performing these three duties it cannot be held that he was not a daftary because those three duties are not duties which daftarries are required to perform under the Bank's head office circular, dated 7th March, 1956 (exhibit W-1). Vyas in his written statement, dated 11th June, 1961, has stated that he was attending to the filing of papers and that duty has not been denied by the bank in its written statement, dated 22nd June, 1961, or at a later stage. Filing of papers would in my opinion include the first two items of filing work and maintenance of files and filing of circulars mentioned in the bank's circular, dated 7th March, 1956. It is significant that there is no written denial from the Bank of the list of duties which Vyas claims he is performing as listed by him in the statement Appendix 'A' to his written statement, dated 12th July, 1961. The three items of work which the Bank denies Shri Vyas was doing are items Nos. 6, 15 and 17, but those duties as I have stated earlier are not included in the Bank's Head Office Circular, dated 7th March, 1956 (exhibit W-1), above referred to.

8. Shri Raghavachary, appearing for the Bank, has referred to the Bank's earlier circular, dated 20th January, 1951 (exhibit E-2), but it is interesting to note that the five duties listed in the bank's circular of 7th March, 1956, were included in that circular as for daftarries of category 'B' which would apply to daftarries working in small branches. These were admittedly the duties to be performed by daftarries category 'B' who are employed in small branches like the Khangaon branch of the Bank. But since the Sastry Award there are no longer two categories of daftarries and the daftarries are required to perform the five duties mentioned in the Bank's circular, dated 7th March, 1956.

9. Shri Raghavachary also sought to rely on the bank's circular, dated 8th September, 1959 (exhibit E-1). This circular only states that enquiries had been received from many branches whether work of stitching and binding of vouchers, arrangement of stationery on the tables of the employees and placing of stationery in the almirahs can be taken from the peons and it was decided that as this type of work was essentially of a manual nature and did not require any higher skill the branch managers could take such work from the peons. I do not think that that circular has any relevancy to the present issue as it is admitted that Vyas is also discharging the duties which are normally performed by peons. The claim for the special allowance of Rs. 10 has been made because he has discharged the other higher duties of daftary listed in the Bank's circular dated 7th March, 1956.

10. On the facts as ascertained at the hearing, and on a careful consideration of the submissions made by the parties, I am satisfied that B. K. Vyas is performing the duties of a daftary and as such is entitled to the special allowance of Rs. 10 prescribed under paragraph 169 of the Sastry Award as modified by section 3 of the Industrial Disputes (Banking Companies) Decision Act, 1955 (41 of 1955).

11. The next question to consider is the date from which this allowance should be paid to him. The union has claimed that this should be paid to him from 18th September, 1960, which is the earliest date from which this benefit can be granted to him in terms of the Government order of reference herein. This date has been specified in the order of reference evidently because the demand was first made by the union by its letter, dated 17th September, 1960. Considering that the order of reference herein was made on 20th May, 1961, I think the proper date from which to grant Shri Vyas the benefit of the special allowance of Rs. 10 per month should be 1st June, 1961 and I direct accordingly. I further direct that the additional allowance of Rs. 5 per month (Rs. 10 special allowance as daftary less special allowance of Rs. 5 as cash peon) from 1st June, 1961, shall be paid to Shri B. K. Vyas within 15 days of the date this award becomes enforceable.

12. The union has applied for costs. Considering that the union has succeeded, I think a provision of Rs. 50 as costs in favour of the Punjab National Bank Employees' Union would be justified and I direct accordingly. The amount of costs should be paid to the union within a month of the publication of this award in the official gazette.

APPEARANCES:

For the employers:—No appearance.

For the workmen:—Shri S. K. Sanyal, General Secretary and Shri M. M. Deshkar, Branch Secretary, Samyukta Khadan Mazdoor Sangh, Kamptee.

Indroo son of Atmaram the workman concerned in person.

STATE: Maharashtra.

INDUSTRY: Mining (Manganese).

AWARD

The Government of India, Ministry of Labour and Employment, by order No. 21/23/60-LRII dated 9th August 1960, made in exercise of the powers conferred by clause (d) of sub-section (1) of section 10 of the Industrial Disputes Act, 1947 (14 of 1947) was pleased to refer the industrial dispute between the parties above named in respect of the subject matters specified in the following schedule to the said order, to me for adjudication:—

SCHEDULE

“Whether the management of Gokuldoh mine of Shri D. T. Punjabi was justified in terminating the services of Shri Indroo S/o Atmaram? If not what relief he is entitled to?”.

2. After the usual notices were issued on the parties, the Branch Secretary of the Samyukta Khadan Mazdoor Sangh, Gujri Chowk, Kamptee, filed the written statement dated 27th August 1960, in which in support of the claim he stated that the workman Shri Indroo son of Atmaram was an employee of the Gokuldoh Mine of Shri D. T. Punjabi, Mining Proprietor; that he was working as a piece-rated worker drawing a daily average wage varying from Rs. 2 to Rs. 3/8/- per day at different periods during the tenure of his employment at the said mine since 22nd February 1959; that Indroo took a leading part in organising a trade union of the workmen employed in the said mine and incurred displeasure of the management since August 1959; that since October 1959 disputes regarding bonus and minimum average wages were raised by the union with the Conciliation Officer (Central) Nagpur against the management which thereupon tried to harass the workmen; that on 23rd March 1960 the management served a notice of immediate dismissal against on Indroo Atmaram; that the charges levelled against him in the notice were vague and false; that no enquiry was held and no charge-sheet was issued by the management upon Indroo Atmaram nor was he allowed to explain his alleged misconduct; that his summary dismissal was thus in violation of all canons of natural justice and obviously victimisation for his trade union activities; that the termination of service of Indroo Atmaram was therefore not justified. He, therefore, prayed that the dismissal of Indroo Atmaram be declared unjustified and he be ordered to be reinstated with all back wages from the date of termination till the date of reinstatement, with benefit of continuity of service and costs be awarded.

3. On 22nd December 1960 an application dated 17th December 1960 was received on behalf of D. T. Punjabi signed by one Shri Narain Singh. In that application he applied for impleading the Oriental Mining Corporation, Chhindwara

Road, Nagpur, as a party in this dispute alleging that the Oriental Mining Corporation was the direct master. In the application it was stated that D. T. Punjabi is the Mining Proprietor and the Oriental Mining Corporation is the raising contractor of the Gokuldoh Mine; that the raising contractor for his own purposes and need i.e. the work which he has undertaken as per agreement between the raising contractor and the proprietor has employed several workers of his choice to complete the assignment. He further alleged that in terms of para. 5 of an agreement dated 1st January 1959 between himself (Shri D. T. Punjabi) and the Oriental Mining Corporation, the raising contractor was to be solely responsible for any omissions which may lead to industrial disputes. He, therefore, pleaded that the Oriental Mining Corporation should be impleaded as a party.

4. The union in a written statement dated 31st January 1961 in reply to the application of Shri D. T. Punjabi dated 17th December 1960, denied any knowledge about the Oriental Mining Corporation and stated that the dismissed workman Indroo Atmaram was employed by Shri D. T. Punjabi, who admittedly is the owner of the Gokuldoh Mine, and that during the course of his employment Indroo Atmaram had never come across any raising contractor. It also denied any knowledge regarding the alleged agreement dated 1st January 1959. The union further stated that the application for impleading the Oriental Mining Corporation as a party was only made with a view to shift the burden from Shri D. T. Punjabi to a third person and thus prolong the proceedings and deprive the workman of an early relief.

5. I, however, thought it advisable to issue notice of the hearing on the Oriental Mining Corporation at the address furnished by Shri D. T. Punjabi.

6. Thereafter, on the application of the union this dispute, along with another dispute also from that area, was fixed for hearing at Nagpur on 26th September 1961. Notices of the hearing were served by registered post upon Shri D. T. Punjabi, the Oriental Mining Corporation and the union but only the union, along with Indroo Atmaram appeared at the hearing.

7. At the hearing, Indroo Atmaram (WW-1) in his evidence stated that he joined the service of Gokuldoh Mine in about January/February 1959 and that he was employed and had worked as an ore extractor on a piece-rate basis. He worked in a pair along with another workman, and their joint earnings varied from Rs. 30 to Rs. 45 per week. He deposed that Shri D. T. Punjabi was the Proprietor of the Gokuldoh Mine and that he did not know any one of the name of the Oriental Mining Corporation. He stated that the Manager of the Mine was Shri B. A. Bhagat. He produced notice dated 23rd March 1960 (exhibit W-1) by which he was dismissed from service. He denied the allegation in the notice that he had been guilty of misbehaviour towards any mate or Baboo, or that he had quarrelled with or abused any Baboo or Mate at the time of filling the ore in the "farma". He stated that when the notice was served upon him he was told that his services were terminated. He stated that he was not asked to show cause or submit any explanation nor was any enquiry held or separate charge-sheet served upon him, but he was not allowed to work from the next day; that he approached Shri D. T. Punjabi and Shri Narayan Singh but they refused to reinstate him in service. Thereafter, his case was taken up in conciliation by his union, but the Proprietor of the Gokuldoh Mine had not attended the Conciliation proceedings. He produced copy of the letter dated 21st August 1960 which had been signed by Shri Narain Singh as the Attorney for Shri D. T. Punjabi addressed to the Section Officer, Ministry of Labour and Employment with copy to the Branch Secretary of the Samyukta Khadan Mazdoor Sangh, in which he had sought to justify the dismissal of Indroo Atmaram (Ex. W. 2). He stated that he had been victimised because he was an active worker of the Samyukta Khadan Mazdoor Sangh and because he used to take up the disputes of other workmen and represent their grievances to the management. He has claimed reinstatement in service in his old post with full back wages, bonus, leave wages and has claimed that he may be awarded costs of these proceedings. He stated that his average earnings were between Rs. 2 to Rs. 3/8/- per day.

8. The union next examined Shri Raghunath Shivram (W.W. 2). He stated that he had joined the service of the Gokuldoh Mine, of which Shri D. T. Punjabi was the Proprietor, at about Sankrant time in 1959 i.e. the middle of January 1959. He said that he did not know anyone by the name of Oriental Mining Corporation nor was he aware that there was any raising contractor in Gokuldoh Mine but that the raising of the ore was being done directly by the Proprietor and that Shri Bhagat was the manager of the Gokuldoh Mine. He stated that he new Indroo Atmaram who was working in the Gokuldoh Mine and was an active worker of the Samyukta Khadan Mazdoor Sangh and that he had been dismissed when witness was in the employment of this mine.

9. The third witness of the union is Shri Madhav Deshkar, the Branch Secretary of the Samyukta Khadan Mazdoor Sangh (W.W. 3). He stated that he had raised industrial disputes regarding the wage rates, bonus and other matters, against the management of the Gokuldoh Mine of Shri D. T. Punjabi; that he had known Indroo Atmaram since the last about two years; that Indroo Atmaram had seen him on the day following the date of his dismissal and had shown him the letter of dismissal dated 23rd March 1960 (exhibit W-1). He stated that thereupon the union raised an industrial dispute which was referred to the Conciliation Officer, Nagpur on 28th March 1960. He stated that to his knowledge Shri Punjabi did not appear before the Conciliation Officer and that he (witness) had participated in the Conciliation proceedings on behalf of Shri Indroo Atmaram.

10. From the evidence oral and documentary on record I am satisfied that Indroo Atmaram was working in the Gokuldoh Mine as ore extractor and that he was a direct employee of Shri D. T. Punjabi. Shri D. T. Punjabi has not appeared to substantiate his story that the Oriental Mining Corporation was the raising contractor of the Gokuldoh Mine and that Indroo Atmaram was employed by that Corporation. The contract of service of Indroo Atmaram was thus with Shri D. T. Punjabi, as the Proprietor of the Gokuldoh Mine.

11. It is clear from the notice dated 23rd March 1960 (exhibit W-1) which has been signed by Shri B. A. Bhagat who was the Manager of the Gokuldoh Mine that Indroo Atmaram was dismissed for the alleged misconduct of having abused and quarrelled with the mates and other officers. It is clear from the evidence that no charge-sheet was served upon him for this alleged misconduct nor was any enquiry held at which he was given an opportunity to defend himself. The workman has denied the misconduct and the matter was taken up in conciliation before the Conciliation Officer, when Shri D. T. Punjabi did not appear. It is contended on behalf of Indroo Atmaram that his dismissal was illegal as the rules of natural justice were not observed and no opportunity was given to him to defend himself on the alleged misconduct of having abused and quarrelled with mates and Baboo, with which he was charged. From the letter dated 21st July 1960 signed on behalf of Shri D. T. Punjabi (Ex. W-2) it is clear that Indroo Atmaram was summarily dismissed for the alleged misconduct of disturbing the peaceful working of the industry without any enquiry. Shri Indroo Atmaram has denied this misconduct and stated that these were false accusations made against him because he was an active worker of the union. Raghunath Shivram (WW-2) who was an employee of the Gokuldoh Mine at the time Indroo Atmaram was in service and Shri M. Deshkar (WW-3) Branch Secretary of the Samyukta Khadan Mazdoor Sangh have given evidence that Indroo Atmaram was an active trade union worker. The Proprietor of the Gokuldoh Mine has not appeared in these proceedings. There is sufficient evidence to suggest that Indroo Atmaram was an active trade union worker and his dismissal from service appears to be because of that reason. The question is whether the management of this mine was justified in dismissing Indroo Atmaram from service. It is clear from what has been stated above that his dismissal must be held to be illegal because the rules of natural justice were not observed inasmuch as he was not given any opportunity to defend himself against the misconduct alleged against him. There has thus been clearly a violation of the rules of natural justice. The employer has not appeared in these proceedings to justify the charges and dismissal. The dismissal must therefore be held to be illegal and unjustified. There is also no doubt that the Samyukta Khadan Mazdoor Sangh represents the workmen of the Gokuldoh Mine and that the workmen of the colliery through this Union have espoused the cause of Indroo Atmaram and have raised an industrial dispute over his dismissal claiming his reinstatement.

12. The next question to consider is what is the relief to which he is entitled. The evidence as to his average monthly earnings is not very definite. Indroo Atmaram has stated that he was a piece-rated worker and his earnings varied between Rs. 2 to Rs. 3/8/- per day. Allowing for a certain amount of exaggeration, I am inclined to think that his earnings could fairly be assessed at Rs. 30 per month. Indroo Atmaram has stated that since his dismissal in spite of his best efforts he could not get any employment elsewhere. He has however admitted that he had been working on his lands. He cannot, therefore, be deemed to have been wholly unemployed during the period since his dismissal on 23rd March 1960 upto date. Whilst I am satisfied that an order for reinstatement is justified I do not think that the claim of the union for awarding him compensation at the rate of his alleged monthly earnings is justified. In my opinion the ends of justice would be met if I were to direct that he shall be reinstated in service within 15 days of the publication of this award with benefit of continuity of service, and that he shall be paid back wages at the rate of Rs. 30 per month from the date of his dismissal till the date of his reinstatement in service.

13. The union has pleaded for award of costs. Since the union has succeeded, I award Rs. 50 as costs to the union to be paid to it within a week of the publication of this award.

[No. LR II/21(23)/60.]

New Delhi, the 9th October 1961

S.O. 2472.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the following award of the Industrial Tribunal, Bombay, in the industrial dispute between the employers in relation to the Sasti Colliery and their workmen.

BEFORE THE CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL, BOMBAY

REFERENCE No. CGIT-26 OF 1961

Employers in relation to the Sasti Colliery

AND

their workmen.

PRESENT:

Shri Salim M. Merchant, Presiding Officer.

Bombay: Dated 28th September 1961.

APPEARANCES:

For the employers: Shri S. V. Kanade, Personnel Officer with
Shri M. K. Jha, Manager,
Sasti Colliery.

For the workmen: Shri K. Krishna Rao,
General Secretary,
Sasti Colliery Workers' Union.

STATE: Maharashtra.

INDUSTRY: Coal.

AWARD

The Government of India, Ministry of Labour and Employment by Order No. 2/50/61-LR II, dated 25th July 1961, made in exercise of the powers conferred by clause (d) of sub-section (1) of section 10 of the Industrial Disputes Act, 1947 (Act 14 of 1947) was pleased to refer to me for adjudication the industrial dispute between the parties abovenamed in respect of the subject matters specified in the following schedule to the said order:—

SCHEDULE

"Having regard to the nature of the duties performed by Sarvashri E. V. Wadaskar, U. L. Kothpalliwar, and Krishna Rama Rasekar of Sasti Colliery, whether they should be placed in Clerical Grade III and if so, from what date after the 23rd January 1961?"

2. After the usual notices were issued to the parties and they had filed their written statements, the dispute was heard by me at Nagpur on 26th September 1961 when, after some discussion, the parties were agreed that Sarvashri E. V. Wadaskar and U. L. Kothpalliwar shall be placed in category V with the benefit of the Das Gupta Arbitration Award, dated 30th December 1959 with effect from 1st April 1961 and that the management shall pay them all the arrears due to them on that basis by 4th November 1961.

3. With regard to Shri Krishna Rama Rasekar, the management stated that he had been superannuated from service by the company's order, dated 2nd February 1961, prior to the date of reference of this dispute to adjudication. The union stated that it has raised an industrial dispute with regard to the superannuation of Shri Krishna Rama Rasekar and that the said dispute is still pending. It was therefore agreed between the parties that in the event of Shri Krishna Rama Rasekar being reinstated in service as shot issuer he too shall get the benefit of category V wages after the date of his reinstatement, if any.

4. Both parties have requested that I should make and award in this dispute in the above terms. I therefore make an award in terms of the agreement reached between the parties as recorded above.

5. I award Rs. 25 as costs to the Sasti Colliery Workers' Union which should be paid by the management before 4th November 1961.

(Sd.) SALIM M. MERCHANT,
Presiding Officer,
Central Government Industrial Tribunal,
Bombay.

[No. 2/50/61-LRII.]

ORDER

New Delhi, the 10th October 1961

S.O. 2473.—Whereas the Central Government is of opinion that an industrial dispute exists between the employers in relation to Messrs Central Provinces Syndicate (Private) Limited, Dolly Dale, Byramji Town, Nagpur and their workmen employed in their mines offices situated at the mines sites in Ukwa, Bharweli, Ramrama and South Tirodi groups of mines of Messrs Central Provinces Manganese Ore Company Limited, in respect of the matters specified in the Schedule hereto annexed;
